THE BEGINNING OF WHAT MAY BE PORTUGAL'S BIGGEST STAR

Born in 2010, Martim always dreamt about cars and racing at high speeds. In 2017 he picked up his first go-kart and instantly fell in love.

"In his first year, Martim ended the 2017 season in 2nd place overall, registering important victories and showing some talent amongst the most experienced. In his second year, Martim won all the races throughout the 2018 season and

"Ever since Martim first stepped into a go-kart he's been absolutely phenomenal. Flying around every single corner of every single track he's competed on. He's a very promising driver who's still very very young. As we all know, pursuing a driver career can be expensive so we'll see how he and his team gets on."

"My dream is to be a professional race driver and be the first Portuguese pilot to win a Formula 1 world championship. Being the absolute best in what I do is what motivates me most, as well as making every single contribution towards our project count, down to the very last penny."

"This is my Dad, his name is Duarte. He's my best friend and my hero. He always had a big passion for racing and was the one who insisted that I started Go-Karting. He's a my hero in a sense that he taught himself how to be a mechanic just to save us even more money."
